

I, Kamil Jelonek, have witnessed Milan Havlik try to mail out a complaint 3 times on 4/17/22, it was in a Manila envelope. Milan and I were in Module A, cells 2 and 5, the time was around 11pm. On 4/19/22, I overheard Milan and ^{Randal Cline} Randy Klein (Sergeant Manager) arguing. They were talking about the Manila envelope, and legal mail. Later, on 4/23/22 Milan sent the complaint off in two standard envelopes. Milan asked for my help to mail out his complaint, after all the trouble the jail has caused him, he doesn't feel they will even mail out his mail. Now, on 4/25/22 the 2 standard envelopes were handed back to Milan, around ~~2pm~~^{KJ} 2pm. Then Milan was moved to a lower tier, cell #1. Milan showed me the 2 envelopes were handed back to him, they were his complaint. I have also had issues with the Corrections Staff not following procedures or laws, whether State or Federal. I swear to have been a witness to all said above, Kamil Jelonek 4/25/22

OKANOGAN COUNTY JAIL
INCIDENT REPORT

1 DATE: 02/10/2022

2 INCIDENT: MEDICAL

3 INMATE(S): IM # 119364 HAVLIK, MILAN

4 At approximately 0700 Sgt. Parsons, Rod J-5 spoke with me while I was downstairs at AM Med-Pass.

5 J5 asked me when I was completed with my tasks to gather my Med-Supplies & Get Vitals /
6 BINAX Test for the Inmate down at Mass Holding that was in process of being booked.7 Sgt Parson's stated his concerns came from watching him through the night and his statements
8 continuing through this morning stating he was freezing and he looked sickly.9 ***It should be noted that he was asked several times through the evening if he'd taken any*
10 *drugs prior to his arrest, and he stated no***11 I entered the mass holding area accompanied by C/D Evans, Matt J-12, C/D Caswell Craig J-7
12 and Sgt. Parsons, Rod standing by to obtain IM # 119364 Havlik, Milan's vitals.

13 Havlik was hunched over on the bench wrapped tightly in his blanket with head facing his lap.

14 He appeared cold and pale, but was cooperative with us while we took vitals and questioned
15 him further.16 His vitals were all stable, he was alert/oriented to his person and even joked about former
17 President Trump.18 I noted large abscess on his right forearm that was red, swollen and looks likely needing to be
19 drained.20 He had several other red, circular scabby areas on his right hand. His hands were filthy and
21 looked unwashed for several days. I would encourage once fully booked that he's showered up
22 to help prevent any possible infection.

23 Havlik once his Binax Test was completed, was stating that he could possibly be sick from

24 Opiate's but would not tell us exactly what he was taking or when, just prior to his arrest.

25 His behavior quickly started to change once he heard he may have court this morning, his

26 answers about drug usage switched up back and forth since last night, so he may not be a

27 reliable self-reporter.

INCIDENT REPORT

2. DATE: 2/22/22

3. INCIDENT: KOSHER MEALS

4. INMATE: HAVLIK, MILAN #11936

5. On February 22, 2022 at approximately 0700 HRS I spoke to inmate Havlik, Milan about a grievance he filed. Havlik states
 6. in his grievance he requested a Kosher diet and we have not accommodated him. I asked Havlik what his religion is and he
 7. stated he was Jewish Orthodox. I then researched some very basic questions and went back to his cell and asked him
 8. these questions. The questions and answers are as follow.

9. What religion are you?
 10. Jewish Orthodox

11. Please explain your beliefs as a Jewish Orthodox? *Yehweh*
 12. Halik could not explain any part of his beliefs. He simply stated he didn't understand the question multiple times.

13. When did you first convert to a Kosher Diet? *Last Kosher diet because I'm Jewish orthodox*
 14. 2015 in Milton Corrections, Florida *that's orthodox Kosher I talking about Kosher AS*

15. Do you only eat Kosher food?
 16. Yes, no pork, nothing with blood in it. No cleft hoof animals. *Examples A Alternative*

17. Where do you buy your food at.
 18. Genes in Omak.

19. What food do you buy? Specifically *mostly fish*
 20. They have a kosher section. Salted Crackers mostly. *(matza) we were talking of passover march 14*

21. What is the Torah?
 22. The bible. *The first 5 books (or the Law)*

23. What is the day of the Sabbath?
 24. The day of atonement. *Sabbath is A day of Rest*
day of atonement (Example) The day of atonement is ordered a day of Rest

25. Do you attend any church?
 26. No, I'm homeless. *Synagogue I want a church*

27. When was the last time you practiced your religion.
 28. At Milton Corrections in Florida. 2015 *Jewish dietary Law is Life Long A commitment*

29. It is my opinion inmate Havlik may have been on a Kosher diet in the facility in Florida. However, by his own statement he
 30. has not practice his religion since 2015. Havlik did not request a special diet when asked that question at intake. Havlik
 31. could not answer basic questions about his religion such as "What is the day of the Sabbath" or even explain basic beliefs of
 32. someone who is Jewish Orthodox. It my opinion Havlik should be denied his request to be on a kosher diet.
